June-July 2025

**MARTYRS' DAY WEEKEND OUTREACH:** Thank you for your prayers during the annual Uganda Martyrs' Day festivities. We were encouraged to have over a dozen of our church family participate alongside over 10 Christians from sister churches who joined us for this outreach. While we distributed fewer tracts than in previous years (around 9,000 to 10,000 this year), we found MUCH better reception. We had fewer people trying to argue and many more evangelistic conversations this year. Though we've not yet seen the harvest, many seeds were planted. Rejoice with us for **at least one that professed faith** in Christ, and others who seemed very receptive when we explained the Gospel.

**BUILDING DEDICATION SCHEDULED:** It's almost surreal to announce that we have a date for our building dedication! When we purchased land in 2020, we never imagined it would take until 2024 to begin construction. We also never imagined how much of the building God would provide funds for us to complete! (About two-thirds of the building will be complete and ready to use!) Unless there are significant delays, we are planning a **Building Dedication and 8th Anniversary Service on Sunday, August 31, 2025**. To God be the glory!

**OTHER MINISTRY UPDATES:** The second semester of East Africa Baptist College begins on **July 22**. We're excited to have a couple of new teachers in addition to new students. Please pray for wisdom as they begin this new area of ministry.

We also have a praise that has been 9 years in the making. In 2016 we consolidated two of the radio stations which made one studio location unnecessary. There were some technicality issues with the land lease for that site, and we applied for an updated land title so that we could sell the land and invest the proceeds into the two remaining Christian radio stations we partner with. Praise the Lord: last week **we received the land title!** Now we ask you to pray for wisdom as we prepare to sell the land.

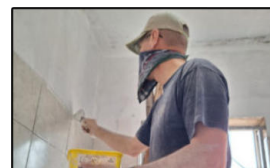

### **PRAISE THE LORD FOR:**

- The Soroti Radio Land Title.
- Those receptive to tracts and the Gospel during the Martyrs' Weekend Outreach.
- His provision for so much of our church building to be complete by move-in date.

### **PLEASE PRAY FOR:**

- Wisdom in ministering to church families facing some specific challenges.
- Our church and Bro. Axis, our candidate for Assistant Pastor, as we take steps forward.
- Wisdom and understanding as we begin the new Bible College semester.
