FAITH BAPTIST CHURCH. Thank you for your prayers for the start of Faith Baptist Church. God has been answering far beyond all we could “ask or think!” We began as a church-plant with 10 including our family of 5. Each week we have had someone new. Some of them are from other parts of Uganda who stop by because they are in town for various reasons. Others have seen the simple church sign on the balcony and have come. God is bringing them. Lately we have been averaging 20, including our family. 4 children have been faithfully coming each week, and Amie began a Children’s Church in October. Through special gifts, God provided the funds to complete all of the renovations in the entire space we are leasing. We are still waiting on one more document from the town council to complete the file required for public assembly. Once that is ready, we will install the larger church signs recently constructed and will be able to advertise the church more openly. Please pray that this process will be completed soon. Despite our present limitation on promoting the church, God is not limited in His work, and He has been growing this church plant both numerically and spiritually. We currently have 8 people involved in Discipleship lessons and are planning our first baptismal service the first Sunday of December. Praise the Lord for the growth of FBC!

FURLOUGH. It is hard to believe that one year from now we will have already seen some of you in person! Our next furlough will be September 2018 - May 2019. God has provided another missionary family who will be joining us just before our furlough and will continue the ministries of the church while we are away. When we return, our families will continue to work together to grow the church and double our ability to train national church leadership.

Pastors: If you would like us to come for your missions conference or for another specific date during our furlough, please contact us. You may e-mail us at the address below. Alternatively, you may text or leave a voice-mail by calling (423) 521-5668, and we will gladly call you back from Uganda. (We are currently +8 hours from Eastern Time, +11 from Pacific Time, so please provide a time during the morning where you are that we can call you back.) We look forward to seeing you again and reporting on what God continues to do here in Uganda.
