

## Church Planting in Wakiso District

March-April 2018

**DISCIPLESHIP.** One emphasis at our new church plant is discipleship. The first five lessons (in order) are Salvation, Eternal Security, Baptism, The Holy Spirit, and The Word of God. The process of discipleship, however, has brought some interesting results. Some have thrived! In fact, one gentleman who has completed all 18 discipleship lessons has almost finished training to be a discipler, and he has two people ready to disciple—including his brother whom he led to the Lord a few weeks ago. Others begin discipleship but soon find the Bible's teaching on these topics to differ from what they have learned in other churches. Pray that the Holy Spirit would convict and conform, then comfort as these believers search the scriptures through discipleship.

**DOCUMENTS.** For over 6 months we prayed that we would receive the occupancy permit from the Municipality, a document required for us to complete our government file and openly promote the church plant. Last week, the church building's landlord called for Dan to come and collect our photocopy of the document! It actually has a stamp for November 2017, but he had just received the original and made a photocopy for us right away. With that document in hand, along with other required information, Dan proceeded to five government officials, gave each a copy of the paperwork, and obtained their stamp on our copy. The next day we posted a sign inviting people to our Easter Sunday service, and this week the main church sign is scheduled to be installed. God answers prayer in His time!

**DATES.** Our furlough is just 6 months away. We will be in the NC/SC/VA area in late October and early November and in AL/GA/TN from December to early January. Dates are open for OH/PA/VA/WV in late January and early February, then we head to the midwest (IL/MO) for the end of February. March and the first part of April are filling up, but we still have some open dates, and we'll be in MI/OH/PA the end of April. **Pastors:** If you would like us to come at any date during our furlough, please contact us via e-mail, text, or voicemail.
